

# TALCOTT MOUNTAIN SCIENCE CENTER & ACADEMY

April 14, 2025

Dear Friend of Talcott,

We are thrilled to invite you to support **Talcott Together 2025**, our annual fundraising celebration, on **Friday, May 30, 2025**, at the University of Hartford. This very special evening will bring together approximately 200 Talcott parents, alumni, educators, donors, and friends for an inspiring night of connection, celebration, and impact.

As a sponsor, your organization will be recognized in front of a vibrant and engaged audience while advancing Talcott Mountain Science Center & Academy's mission to *inspire today's children to invent tomorrow* through immersive, hands-on STEM education.

This year's event will feature a compelling presentation by renowned physicist and author **Dr. Stephon Alexander**, "*The Jazz of Physics*," exploring the connection between science and sound. In addition to a lively auction filled with unique experiences and items—all supporting Talcott's programs for young learners – we look forward to sharing a heartfelt tribute to beloved Talcott educator **John Pellino**, who is retiring after 48 years.

Our **2025 Sponsorship Opportunities Grid** outlines a range of support levels and the visibility associated with each. To clarify the specific benefits:

- **Tickets** indicate the number of seats to the event included with your sponsorship (a full table seats 8); VIP seating is included at select levels.
- **Event website** listings provide logo/name placement on the event page at [talcottscience.org](http://talcottscience.org) and our online auction site (desktop version).
- **Event Presentation** listings provide an on-screen logo/name placement in the presentation at the event.
- **Mobile bidding platform** placements include your company's logo or name on the mobile auction app used by event participants.
- **Event signage** includes physical signage displayed prominently at the event. This may include individual signs, shared signage, and/or signage on guest tables.

Becoming a **Talcott Together 2025** sponsor is a unique opportunity to align your brand with one of Connecticut's most respected STEM institutions while making a direct and meaningful impact on students' futures. Your support helps us continue offering dynamic programs that ignite curiosity and open doors for young minds.

If you'd like to discuss your sponsorship or reserve your spot, please reach out to **Jeff Martin, Executive Director**, at [jmartin@tmsc.org](mailto:jmartin@tmsc.org) or 860-677-8571.

We truly hope you'll join us in celebrating Talcott's past, present, and future. Thank you for being a valued part of our community!

With appreciation,

Christine M. Buhler, *Director of Development & Marketing*  
Talcott Mountain Science Center & Academy
