SCIENCE CENTER • ACADEMY • RESEARCH INSTITUTE

Talcott Mountain Science Center, Academy, and Research Institute is a pioneering STEM institution where education, research, and outreach inspire and empower advanced and curious learners. Our organization is seeking a skilled and motivated **First Aid Coordinator / Nurse** for part-time summer employment in a dynamic, team-based environment.

Duties include staffing the health office for our classroom-based summer program that serves students in kindergarten through eighth grade. Additional responsibilities include administering first-aid, family supplied medications, and attending to health issues that arise during the day.

We are hiring for the following weeks:

July 20-24, July 27-31, August 3-7, and August 10-14

The work day is 8:30AM to 4:00PM, with students on campus from 9:00AM to 4:00PM. Each week hosts approximately 60-100 students in kindergarten through eighth grade on campus daily.

The successful candidate will be certified in CPR and First Aid. A nursing degree (completed or in progress) is ideal, but not required. We will be looking for experience with summer camp type programs, schools, or other children's programs. The successful candidate must possess a valid driver's license, have access to reliable transportation, and successfully complete a fingerprint-based background check.
